The PHILIPPINE NUMISMATIC AND ANTIQUARIAN SOCIETY (PNAS), founded in 1929 in the City of Manila, is the oldest and largest numismatic and antiquarian society in the Philippines. It conducts regular auction-meetings and holds an annual convention on the third week of November every year, with bourse trading, competitive exhibits, election of officers, grand auction and a fellowship dinner where awards are given to deserving members and outstanding personalities. The PNAS maintains its office at 1193 Maria Orosa Street, Ermita, Manila, Philippines, where members and friends regularly exchange coins, medals, stamps, documents, notes and ideas. The Society also publishes a journal, The PNAS MONOGRAPHS, through which it advances the knowledge and interest in numismatics, philately and antiquarianism.

We submit the following and future issues for your information, record and enjoyment.

We would appreciate your advice, by email, of receipt of this information.
